- If you have selected a deductible or cost share, you must pay the agreed amount before Cigna will make any payment
- You must provide full medical history as required
- You must obtain prior-approval before treatment
- You must inform us if you or anyone on your policy changes address, country of residence, or country of nationality or is no longer an expatriate.

When and how do I pay?

- You can choose to pay your premiums on a monthly, quarterly or annual basis by credit card. Alternatively you can pay annually by bank transfer.

When does the cover start and end?

- This policy is an annual contract. This means that, unless it is terminated or renewed, the cover will end one (1) year after the start date. Your start date will be shown on the first Certificate of Insurance.

If this policy ends before the normal end date, any premium which has been paid in relation to the period after cover has ended will be refunded on a pro rata basis, so long as no claims have been made and no guarantees of payment or prior approvals have been put in place during the period of cover.
